

***Franklin County Local Emergency
Planning Committee (LEPC) Spill Card***

If you have a release or spill these are the immediate notifications you or your company must make

- If fire, HazMat, or medical response is needed call **911**
- Call **1-800-258-5990** to report the spill to the Wash. St. Hotline
- Call **1-800-424-8802** to report to the National Response Center
- Report to local LEPC at **509-316-2953** and email to:
fc-ecc@franklincountywa.gov
- Remember this is your responsibility!

Be ready with the following information

- Where is the spill (address, city, state, zip)?
- What has been released or spilled?
- How much?
- How concentrated is the spill material?
- Who spilled the material (Company Name)?
- Is anyone cleaning up the spill?
- Are there resource damages (dead fish, birds, other)?
- Who is reporting the spill?
- Your contact information

Follow up Reports Required within 30 days
