How will I be notified?
If you live or work within the Hanford site Emergency Planning Zones (EPZ),

- People on the Hanford site and Benton and Franklin County EPZ residents will be alerted by sirens or loudspeakers.
- Recreationists in the Horn Rapids area will be alerted by sirens followed by an audible message.
- Emergency messages will be broadcast over KONA 610 AM / 105.3 FM, KORD 102.7 FM, or KZHR 92.5 FM (Spanish language). Listen to and follow instructions.
- All Benton & Franklin residents of the CGS EPZ are encouraged to register for CodeRED (at their county’s website) to receive direct emergency notifications via phone, text, and/or e-mail.

If you are using the Horn Rapids Off-Road Vehicle (ORV) Park:
- Listen for sirens sounding for about three minutes followed by an audible message.
- The sirens signal you to evacuate the area. You may also be contacted by a park manager or an assistant.
- Tune your radio to KONA 610 AM / 105.3 FM, KORD 102.7 FM, or KZHR 92.5 FM (Spanish language). Other radio and TV stations may also broadcast emergency information.

If you are using the Columbia or Yakima rivers near the Hanford site:
- Listen for sirens sounding for about three minutes followed by an audible message.
- The sirens signal you to evacuate the area. You may also be contacted by a park manager or an assistant.
- Tune your radio to KONA 610 AM / 105.3 FM, KORD 102.7 FM, or KZHR 92.5 FM (Spanish language). Other radio and TV stations may also broadcast emergency information.

If you are told to Evacuate:
- Take your pets with you. You must bring your own pet carrier, leash and proof of up-to-date vaccinations. Most shelters will not allow non-service animals so you may need to make other arrangements.
- Lock your doors and windows.
- Take your own car if possible. Take neighbors if they need to make other arrangements.
- Shelters will not allow non-service animals so you may need to make other arrangements.
- Keep pets inside.
- Use phone only for a personal emergency.
- If you must go outside, cover your nose and mouth with a wet cloth.
- Listen to a primary Emergency Alert System (EAS) radio station KONA 610 AM / 105.3 FM, KORD 102.7 FM, or KZHR 92.5 FM (Spanish language) for further instructions.
- Start preparing for possible evacuation.
- Close anything that might bring air in from the outside, such as a fireplace damper, range fan, bathroom vent or clothes dryer.
- If you are in a car, keep the windows and vents closed. Continue to a destination away from the Hanford site.

If you are told to Monitor and Prepare:
- Turn on your radio to KONA 610 AM / 105.3 FM, KORD 102.7 FM, or KZHR 92.5 FM (Spanish language). Listen for further instructions and developments.
- Review your family or business emergency plan.
- Start making preparations to either evacuate or take shelter, if told to do so.

It is important the following material be read very carefully!
Emergency plans have been developed to ensure the safety of the people near the facilities on the Hanford Site. The Hanford site includes the Department of Energy’s nuclear fuel storage facilities, radioactive and chemical waste treatment and storage facilities. The Columbia Generating Station nuclear energy facility operates on land leased on the Hanford Site.

Plans to protect the public’s health and safety have been prepared in the unlikely event of an emergency at one of these facilities. The purpose of this brochure is to describe the emergency actions for people who are using recreation areas or passing through the Hanford site Emergency Planning Zones. Check the numbered areas on the other side to see if you are within one of these zones. If you have any questions, contact your emergency management office.
